

BICYCLE SERVICING

With all of our service charges, any new parts required will be additional in cost. We will give an estimate upon our initial inspection of the bicycle.

Please call us to book your bike in to our workshop. In peak season please expect around a 1 1/2 to a 2 week wait for servicing.

FULL SERVICE - £108

Bike stripped back down to the frame and rebuilt, new parts fitted where required

STANDARD SERVICE - £48
